Springside School Weekly Newsletter

Head Teachers' Message:

Reminder to all parents. Unfortunately, we have a very small minority of parents who have used an abusive tone with some disgraceful language both in person and over the phone. This kind of behaviour will not be tolerated and is unacceptable.

We want to continue to work with families to ensure each child feels safe. We should all be role models and use appropriate behaviour with one another. If the learner's witness poor behaviour between adults, this is giving them a key message this is how they should behave.

Over the next few weeks, the learners will be given the opportunity to engage in Olympics week and a multicultural day with an emphasis on Eid. Please continue to look at your emails for specific dates whereby learners will be encouraged to wear their PE kits or clothes to wear for a celebration.

Enjoy the weekend

Take care

Melody

Head Teachers' Awards

Well done!

Experiential: Abdul and Aariz

Exploratory: Imran

Investigative: Tigers class and Hammad

Stars of the week

Butterflies - Eesa

Wallabies - Zain

Ducklings - Moosa

Zebras - Musa

Rhinos - Daa'il

Experiential Phase

Experiential have continued with their exploration of water with lots of children loving sensory stories and massage. The wonderful Wallabies have had a fabulous week in school pretending to be scary pirates. We built a pirate ship in our playground and have had lots of fun exploring the sensory treasure chest, firing sensory 'cannon balls' and making Captain Kershaw walk the plank!!

Have a wonderful weekend everyone

Louise and Experiential team

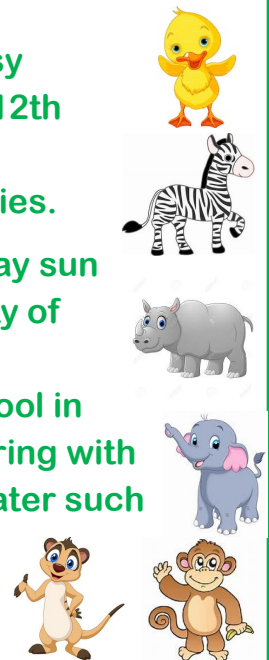

Exploratory Phase

We like to keep busy in the Exploratory phase! All classes are busy preparing for our Sports and Wellbeing week beginning Monday 12th July. Each class has chosen a country to represent and are busy exploring flags and other resources linked to their chosen countries.

We have also continued to enjoy the good weather, learning to stay sun safe by tolerating the application of sun cream and drinking plenty of water. All our learners have a right to clean water and we have especially enjoyed all the water play that has helped us to keep cool in the hot weather and help us learn a variety of skills including sharing with our peers, capacity and exploring mixing other resources with water such as citrus fruits.

We hope the good weather continues into the weekend for us all.

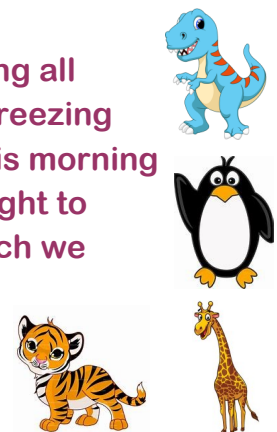

Investigative Phase

Investigative phase have continued with our topic of water, exploring all kinds of facts and experiences. The water cycle, dough disco and freezing water to touch and taste have formed parts of our learners work this morning as we continue to work hard towards the summer. Of course, the right to fresh clean water to drink is one of our rights of the child and as such we continue to enjoy playing with and drinking it every day.

Have a super weekend everyone

Louise and Investigative team
