Springside School Weekly Newsletter

Head Teachers' Message:

Welcome back everyone.

It was lovely to see so many happy, smiling faces as the learners entered School on Tuesday. I do hope you have all managed to have some quality family time.

This week has been a tricky first week back with the omicron variant being so transmissible. I must stress whilst we will do everything possible to operate on reduced staffing and offer learners consistency, there may be times when your child isn't supported by their usual class staff. Please bear with us. If there is a change of routine, we will make every attempt to cue your child in using their preferred method of communication.

All essential visitors will be asked to take a lateral flow test prior to visiting School.

Please continue to communicate with us via the class email. Please remember our class-based staff are entitled to switch off at home once the school day is over. Please be mindful when sending an email, it may not be dealt with straightaway. If you need to speak to someone urgently, please do not use the email system. Please ring the school and ask for the appropriate staff member.

Thank you as always for your support
