Experiential Phase

Experiential Phase have had a great week celebrating the Queens Jubilee. We have made crafts, danced around the may pole and had a great tea party. Have a lovely rest, you all deserve one!

Exploratory Phase

What a term we have had full of circus fun and ending the term with Jubilee celebrations. Ducklings have enjoyed exploring the jubilee colours in all areas of learning. Zebras have enjoyed the Jubilee celebrations together. Rhinos enjoyed crafting their very own jubilee crowns. Elephants learners have created a special card full of love and hope for a Elephant learner. Meerkats have a final fun filled week with Charlotte, who leaves Springside for a new venture today. Monkeys have enjoyed Jubilee learning both indoors and outdoors.

Thank you to parent of a learner in Ducklings class who made our Jubilee balloon arch. Well wishes and good luck to Charlotte Sandiford in your new role. Have a lovely (hopefully sunny) half term everyone! We will see you all back at school on Tuesday 7th June.

Investigative Phase

This week learners have all enjoyed making decorations for and celebrating the Queen's Jubilee. We have all enjoyed the 'street party', parade and big dance. Dinosaurs have made jam sandwiches and explored lots of Jubilee related crafts. We have made our own bunting to add to the decorations. Giraffes have painted the Jubilee pots, baked cakes and made flags. Penguins enjoyed the street party and celebrated with their own party on Friday. Tigers baked scones and enjoyed them with jam and cream. They have used the Queens silhouette to make some fantastic collages and engaged in paired reading.
