Springside School Weekly Newsletter

Head Teachers' Message:

A virtual Head Teacher's drop in will take place on 17th March. Specific times to reflect Phases will be sent out next week if you are interested

We welcome Carole Kelly to the Early help team at Springside. Carole will work closely with Shazye. Carole will use our website alongside other social media as a method of communicating with families. Please keep a look out for key changes to the website.

We had 3 nominations for the parent governor vacancy. Those parents will be contacted next week to write a brief bit about themselves and parents will be asked to vote.

Huge thank you to everyone for their support over the past couple of weeks. We are appreciative of everyone's efforts to continue to keep our Whole School Community safe. Please continue to check your emails for details of learners returning, in line with the most recent Government guidance.

Melody

Reminders

Reminder - We need up-to-date contacts for all our learners. If you change your phone number, please make sure you pass the number on.

Head Teachers' Awards

Well done!

Experiential Phase

In experiential The 'Fantastic Five' have been hard at work again after their well - deserved week's break. We have been participating in lots of activities surrounding our new book 'Old Macdonald had a Farm', learning the sequence of the song and about the animals involved in the story. We have also been looking at the first signs of Spring and have started our new role-play / reading corner relating to the topic. It was great to see our 'Zoomers'; especially Zain who looked super happy!! We enjoyed making waffles for Wednesday's morning snackbut Richard really does need to watch his waistline!! 😊

We can't wait to see some of our children in the next few weeks and you will be contacted by school about their return. Have a super weekend everyone!

Exploratory Phase

The learners have come back to school after the half term feeling rejuvenated and ready to learn. We are excited to hear the news that we can welcome more of our learners back into school from the 8th March!

The theme this term is Spring is Sprung - and luckily the weather has begun to look a bit more Spring like! We look forward to spending more time learning and exploring outdoors and enjoying picnics and some Easter fun at the end of the term. We have been very lucky to receive a brand new climbing frame on the playground and a collection of new bikes and scooters to test out this half term.

Don't forget to join our virtual phase assemblies on Fridays at 1.30pm to celebrate our learning and successes each week.

Investigative Phase

In Investigative phase we are looking at changes. Well, how fabulous that the weather has changed and gifted us some sunshine! We've had a great week with all classes really getting involved and lots of breakthrough moments with toileting, speaking and all round working hard. Our children at home continue to amaze us with their commitment and we can't wait to welcome you back. A member of the team will be in touch to arrange with you.

Have a wonderful weekend

Louise
