# Springside School Weekly Newsletter

## Head Teachers' Message:

*We have one more week at School before half term. School will finish at the normal time on Friday 28th May and we will return to School on Monday 7th June.*

*We will continue with staggered start and finish times.*

*We congratulate Lucy on securing a permanent position with us at Springside. We are lucky to have you with us Lucy!*

*Congratulations to Rachael she has secured an apprenticeship with us for level 6 teaching. Rachael will start her teaching in September in the Exploratory Phase!*

*Vicky starts her maternity leave this week, we cannot wait to meet her little girl in a few weeks (virtually at this stage). In Vicky's absence Zakia will cover her maternity leave.*

*Take care, stay safe  
Melody*

## Head Teachers' Awards

### Well done!

**Tigers - Ayyan**

*Certificates have been emailed home via email to celebrate with your child.*

Springside are celebrating world Bee day 2021 on Thursday next week

We would like our learners to wear something colourful, flowery, yellow or striped

The learners will be sprinkling some seeds for the Bees around our fields and in the forests.

Let's create a Buzz around Springside !

## Experiential Phase

This week in experiential phase we have continued on our magical sensory journey. This has taken us to the 'Land of Cakes' as part of their sensory Magic Train Ride. We have been participating in activities surrounding the story of the 'Gingerbread Man,' baking gingerbread people and a birthday cake for one of our Wallaby learners. We role-played the story by way of dressing up in gingerbread styled costumes and moving quickly around the playground. Next week, we are looking forward to letting parents know all of the fantastic progress that our Wallabies have made over recent times in school, Butterflies will take place after half term.

Have a great weekend everyone!

## Exploratory Phase

Another fun week in the Exploratory phase!

Some of the highlights for our learners have been: Rhinos class having an Eid-ul-Fitr party day on Monday. Monkeys class getting in touch with nature through wilderness therapy. Ducklings class observing how the caterpillars in class have now changed into chrysalises. Zebras class washing Felicity's car as part of their transport theme and the Meerkats and Elephants learners continuing to explore their 'on the move' theme in a variety of creative ways!

Have a lovely weekend!

## Investigative Phase

In investigative phase this week we have had a lively time. Our counting, writing and reading skills have been getting a super boost as we continue to work on our on the move skills.

On Thursday we worked in our bubble on some amazing communication skills, it was great to see learners from classes in our bubble and we loved playing games, baking biscuits and showing some pretty amazing dance skills!

We continue to love to share our work with you at home so don't forget to send any photos and chats of achievements at home as well as returning reading books to be changed.

Well done and have a great weekend!

## Rights Respecting School News

Hello everyone,

As part of our Rights Respecting School' journey our learners will be thinking about the wider world and how as a school we can support our learners to become global citizens. As part of our global citizenship, we will be celebrating 'World Water Day on Tuesday 8th June'. Please can learners come to school wearing either something blue or ocean themed. For a fun activity over half term, you could even think about creating some ocean inspired accessories out of recycled materials that you find around your home to help learners reflect on how recycling can help support our oceans.

Have a lovely weekend,

Kirstie
