Springside School Weekly Newsletter

Head Teachers' Message:

Thank you all for your kind words, care and genuine support this week. Our families have been amazing.

I do hope you all manage to enjoy some family time in the sunshine over half term. We look forward to welcoming everyone back on Monday 7th June.

Take care and stay safe

Melody

Head Teachers' Awards

Experiential Phase

This week in school, experiential phase has enjoyed the final leg of their 'Magic Train Ride'. We have visited the 'Haunted House' and participated in lots of spooky activities including 'Spooky Spider Jelly', 'Scary Spaghetti Snakes' and in the wallabies we even played the '5 little Monsters' parachute game. We also loved performing some magic spells and changed Richard into a variety of animals by way of activating a switch.

Have a fabulous break everyone and thank you for your continuing support, Louise and the Experiential team

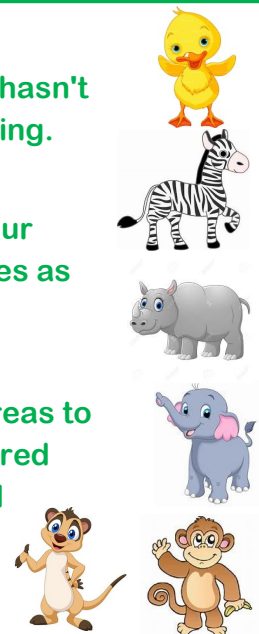

Exploratory Phase

It has come to the final week of this half term. The unpredictable weather hasn't stopped us keeping 'on the move' both indoors and outdoors for our learning.

Monkeys class have reaped the outdoors, whatever the weather, through Wilderness Therapy sessions. This week they have added a bug hotel to our outdoor area. Zebras class learnt about fire and the purpose of fire engines as part of their transport theme.

All of the Exploratory classes enjoyed taking part in Springside Bee Day yesterday. All learners have scattered wild flower seeds in our outdoor areas to encourage more bees. They have also explored honey-based foods, explored flowers, listened to the noises bees make and learnt about why bees need flowers to help them stay happy and make us some tasty honey.

Have a lovely half term break with your family and friends. I have my fingers crossed for some Spring sunshine!

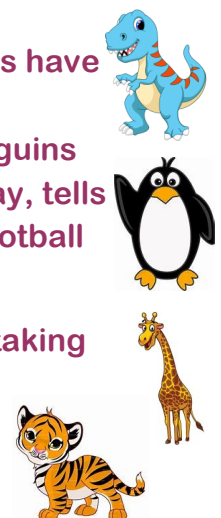

Investigative Phase

In Investigative phase we've continued with our on the move topic, Tigers have completed their transport project and been to share some of the most wonderful and amazing writing. We are all so very proud of them. In penguins we have kept our bodies moving and Adam, who is helping me write today, tells me his favourite on the move activity has been football! He is better at football than me too so he thinks this is hilarious.

We celebrated bee - day this week too, spreading wildflower seeds and taking part in all kinds of wonderful activities.

Have a great break everyone and thank you for your continuing support, Louise and the investigative team

Rights Respecting School News

Rights Respecting News This week the tigers class have been exercising their 'right to relax, play and take part in a wide range of activities' (Article 31). Whilst taking part in a variety of games, the learners have also been able to 'interact with other children' (Article 15). All of the learners and staff at Springside have worked super hard this half term accessing their right to education, and we hope you all have a lovely week in the sunshine with your families! Happy half term everyone!!
