Springside School Weekly Newsletter

Head Teachers' Message:

Meet the teacher/class team

During the week beginning 27th June, parents will be invited to meet their child's class teacher for September. At this moment in time the Deputy is currently arranging the timetable for this event.

The Awards event will take place on the 6th of July in the morning.

If your child has made remarkable progress working towards their EHCP outcomes, they may be chosen by the class team to receive the learner of the year award.

If your child is chosen, you will be invited to attend the awards event. All learners within School will be encouraged to wear their preferred clothing (preferably their party clothes) and staff members will wear smart dress. We are really looking forward to this event.

During the event a panel of judges will also choose from a range of nominations a staff member/class team to receive the Goddard award. The identified class or staff member will demonstrate their innovative ways of being musical bringing elements of song and dance with laughter together at the end of each academic year. This award is in memory of the teacher who adored music who unfortunately passed away in 2021. We would also like to present an award to an individual learner on an annual basis who gets giddy with giggles when staff members act silly! It will be known as the Giggles award. This award is in memory of the learners who have passed away from December 2020 to November 2021.

Have a lovely weekend

*Take care
Melody*

Head Teachers' Awards

Well done!

Experiential: Maheen

Exploratory: Danny, Arash & Noyon

Investigative: Rita & Blake

Stars of the Week

Butterflies - Sumaiya

Wallabies - Aariz

Experiential Phase

What a wonderfully musical and sunny week we have had! We have continued to enjoy our sessions with Jessie's Fund, experiencing lots of different instruments being played by very talented musicians, Hannah and Helen.

We have been making the most of the sunny weather playing and learning outdoors, Butterflies class have had lots of fun on our adapted bike!

Exploratory Phase

What a super sunny week in Exploratory phase. The sunshine has come out to play to allow learners to continue to engage in their Great Outdoors learning outside of the classroom as much as they can! Lots of our learners are really motivated by sand and water play and this is really promoting learners' communication and social skills. We are observing lots of great requesting, parallel playing, turn-taking and above all, fun!!

If your child loves to splash and get messy during these activities, please send in spare clothes clearly labelled with your child's name. Thank you for your continued support.

Fingers crossed the sunshine stays for the weekend so we can continue to enjoy and relax.

Investigative Phase

This week learners in the Investigative phase have had a super busy week of fun in the sun. Dinosaurs have been keeping cool with lots of waterplay linked to their focus text 'The rainbow fish'. Penguins class have been enjoying the outdoor weather on their bear hunt, as well as learning about healthy and unhealthy foods. Giraffes have been making some delicious hummus in cooking and writing their own non-fiction texts. Finally Tigers have been making delicious smoothies, monitoring their sunflowers (some of which have now grown into seedlings) and enjoying their usual learning outside the classroom activities of swimming, library and park visits.

Have a lovely weekend

Rights Respecting School News

This week is 'National Healthy Eating Week' and we have been embracing all things tasty and healthy at Springside.

Learners in our school get to try different healthy daily snacks and lunch options as part of our functional and personalised curriculum and in support of their right to be healthy (article 24). Staff in our school also work hard to support learners with getting children to try a range of foods to increase the variation in our learner's diets. Below are some images of some of the exciting healthy eating/ cooking sessions our learners have been taking part in this week including; baking some delicious herby home-made bread and blitzing up some delicious fruit smoothies.

Have a lovely weekend!
