Head Teachers' Message:

Car park safety

Please remember the car park is a one-way system. Please ensure you drive slowly and safely, remembering our learners will often use all the outside areas during this half term as the weather is nice.

Emergency contacts

Recently there have been a number of occasions whereby we haven't been able to contact parents when their child has been unwell so we have made reference to our emergency contact list, to find the adults who have been identified have changed their telephone number and we haven't been informed. Please check all the numbers of your emergency contacts and make sure the relevant telephone numbers are provided.

Experiential Phase

Experiential have had a wonderful week in the sunshine engaging in water play. We have dipped our toes and hands in the water and some of us have been sitting in it too!

Wallabies have had a great time on our adapted bike too! they have had great fun riding round in our outdoor area.
