Springside School Weekly Newsletter

Head Teachers' Message:

Today you will have received a letter via email regarding our return in September along with details of your child's class. Please take the time to read this email as it contains important information for the start of our next school year.

We are revamping our website and would like to take parents views into consideration, we have sent you a link to a survey via email. If you could complete it we would be very grateful, please note the deadline to complete this is **21st July**.

We are excited to welcome two new teachers in September. They are Mishelle and Lucy and are both experienced teachers of SEND learners and both currently work in Special Schools. We will also be saying goodbye to Rebecca Rawsthorne as she has secured a role in Oldham as a SENCO. We wish her well in her new position.

Experiential Phase

Experiential have had another busy week over zoom and garden play sessions. Here is one example:

Michelle and Elaine planned and resourced this 'under the sea' session - they've been busy painting sewing & laminating !!! ... and Brayden loved it!

Exploratory Phase

The teachers in the Exploratory phase have met (virtually) this week to ensure learners' PLPs are ready for their new classes in September.

We have also discussed a plan to support learner involvement and wellbeing as they transition back to school. I have now had initial zoom meetings with all 11 new learners that will be joining us in the phase! We look forward to welcoming them into our classes.

Next week, we say goodbye to our Year 6 leavers - Lucas, Ellie, Murtaza, Harris and Zia. They are invited into school for a celebration picnic. We hope that these learners and their families enjoy their last day at Springside.

Investigative Phase

Investigative phase continues to be a hive of industry! Lots of super home learning and zoom calls are being well attended. It's been great to see your super smiles and singing, thank you to parents who have been collecting resources and supporting our learners.

We've welcomed 2 more children into class and are looking forward to our leavers picnic on Monday, fingers crossed for sunshine!

HEALTH AND SAFETY

Next term we will continue to wear PPE and use the same entrance into the building as we are doing currently, this is via the extension.
