# Springside School Weekly Newsletter

## Head Teachers' Message:

I will be running Headteacher drop in sessions via Zoom next week on Wednesday 7th October. Please see below for the times for your child's class and get in touch with the office if you would like to attend.

I would like to say a huge thanks to all staff, parents/carers and learners for adapting and working together to try and keep each other safe.

Thank you as always for your support and patience

Melody

## Head Teachers' Awards

**Well done!**

Experiential: Maddison and Majidul

## Experiential Phase

A lovely week in Experiential Phase.

We would like to welcome all three of our new learners into our phase Abdul Raheem, Aariz and Hussain we know you are going to love your time with us!

Thank you to the physio and OT team who have continued to help us this week.

We have continued to learn about the Colour Monster, making monsters from cardboard boxes, playing outside and working hard to tolerate our equipment again.

Becky

## Exploratory Phase

Exploratory learners continue to keep busy and enjoy getting back into the swing of Springside life. Come rain or shine the learners in the Exploratory Phase love being outdoors for play and learning time. Please ensure your child comes into school in a waterproof coat on rainy days and if your child really enjoys splashing in the puddles, it would be a great idea to send your child some wellies to wear on wet days at school. Please remember to write your child's full name in their wellies and all of their school uniform.

We continue to explore our All about Me/Superheroes theme this week and this week you should have received your child's class theme web via email. Please email your class team if you have not received one.

Have a lovely weekend - I hope there isn't too much rain forecast!

Olivia

## Investigative Phase

This week investigative phase have been working hard with some of our children learning from home. We are really proud of the way everyone has adapted and would like to thank both our learners and their parents for adapting brilliantly and keeping us all safe

Have a great weekend everyone,

Louise
