

My World

Life cycles is our focus in My World, looking at how we develop and change as we grow up from babies to elderly people. We will link these to our own families. We will also be learning about different life cycles around us such as plants, frogs and chicks and exploring the changes that take place in each of the life cycles.

My English

We will be focusing on non-fiction texts and learning about the different parts of them such as contents pages, title pages, headings and captions. We will put these skills to use when we create our own book about our year in the Giraffe class to take home at the end of the year. We hope you enjoy reading about all of our favourite parts of the year.

My Physical Well-being

Our year 6's will be continuing swimming on Monday mornings this term as part of their Physical well-being learning. All Giraffes learners will also be taking part in PE sessions on Wednesday mornings in school when our sessions will be led by Rochdale football club! **Please send your child in with their PE kit.**

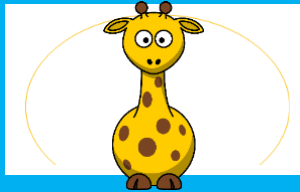

My Independence

This half term we will be looking at dressing and undressing, learning about what clothes are linked to different seasons, types of weather and activities such as goggles for swimming. We will focus on the order of getting dressed, turning clothes the right way round and fastenings such as buttons and zips. This skill will be practised each week when we get changed for PE.

Giraffes Class

Theme Web – Summer 2
Our topic is – The Great Outdoors

My Maths

Our focus in Maths this half term will be continuing to focus on time, following our work on months and days, we will now look at clocks. We will be learning about clock faces, the different hour and minute hands as well as learning to tell time to o'clock, half past and quarter past. We will use this skill every day when we look at the time of key events such as lunch.

My Play and Leisure

We will continue to enjoy our playtimes on the MUGA playing games and using the bikes and scooters. We will also be looking at team games in these sessions too. We will be taking part in different play and leisure activities with learners from other classes too as we learn to interact with less familiar peers. We will hopefully get to enjoy the great outdoors in our play and leisure time too.

My PSHE

The focus of PSHE is friendship this half term. We will look at what it means to be a good friend, what we want our friends to be like and look at what friends do together. We will learn to work as a team as part of our friendship group and develop new friendships with other learners in the phase and the Year 6 learners making new friends on transition events at Redwood.
