## Head Teachers' Message:

Over the next two weeks the learner progress meetings are due to take place using zoom as a virtual platform. We hope you are looking forward to hearing how your child has settled back into School and how they have adapted to the systems to help keep us all safe.

Thankyou to those parents who attended the Headteacher drop in sessions on Wednesday.

We have reviewed the staggered start and finish times for each of the Bubbles. Thank you to all parents, staff, transport drivers and escorts and the learners for supporting us with the introduction of these safety measures.

From Monday 12th October the times will be as follows:-

### **Experiential Phase**

**Wallabies and Ducklings** 8.45 to 8.50am start and 2.45 to 2.50pm finish

### **Exploratory Phase**

**Meerkats, Monkeys and Elephants** 9.00am start and 3.00pm finish

**Ducklings, Zebras and Rhino's** 9.00am start and 3.00pm finish

### **Investigative Phase**

**Penguins and Giraffes** 8.50 to 8.55am start and 2.50 to 2.55pm finish

**Dinosaurs and Tigers** 8.50 to 8.55am start and 2.50 to 2.55pm finish

Melody

## **Head Teachers' Awards**

## Experiential Phase

Experiential have had a lovely week, Wallabies have been exploring puddle art splashing and having colourful fun, whilst Butterflies have been exploring 'sadness' and the colour blue! We look forward to meeting you over Zoom to discuss your child's progress. If you haven't managed to book an appointment yet with your child's teacher, please make sure you make contact us as soon as possible.

Becky

## Exploratory Phase

It has been wonderful to hear bundles of WOW moments for our Exploratory learners this week from our amazing Exploratory staff team. Learners are transitioning beautifully to and from the school transport, to the dining hall (now we are all on hot dinners!!) and to some of our allocated rooms including soft play. Soft play is a firm favourite room with our Exploratory learners where they enjoy play and leisure activities to develop their communication, social play skills and sensory regulation strategies.

Next week, the progress meetings are being held (virtually via zoom) where we have invited all parents/carers/families to discuss their child's progress towards their PLP targets and progress towards their BSP targets (if they have one).

Thank you for your continued support.

Olivia

## Investigative Phase

As the weather has turned rainy and colder we have continued to be 'Super' in investigative phase! Lots of work around our Super stories, Supertato and Super Daisy and the planet Pea has seen us dressing up and creating some fantastic work using our super powers!

Tomorrow marks National Mental Health day and we have been thinking about how we feel and sometimes what that might look like. I hope everyone is taking good care of themselves at this strange time.

Classes are continuing to share chats with each other, please do send any you take at home so we can celebrate together ☐

Louise
