Springside School Weekly Newsletter

Head Teachers' Message:

We had a super day on Tuesday when we celebrated World Oceans day, see our Rights Respecting School News below for an update on how the day went and for photos of the day. Today we have enjoyed celebrating National Play day, have a look at our social media to see examples of our learners engaging in National Play day and through the use of CHATTA.

*There will be a Drop-in Covid vaccination clinic at Number One Riverside on Sunday from 9am till 8pm, no appointment necessary, just turn up if you are eligible for a vaccine, aged 18 or over and not got an existing appointment. Click the link for further information
<http://www.rochdale.gov.uk/covidvaccine>*

*Take care
Melody*

Head Teachers' Awards

Well done!

Experiential: Alfie

Exploratory: Ayyan M and Daniel N

Investigative: Amelia, Korie, Junior & Adam

Stars of the week

Butterflies - Maheen

Wallabies - Blakeley and Haroon

Ducklings - Baki

Zebras - Danyal

Rhinos - Mahad

Elephants - Mahmood

Meerkats - Awais

Monkeys - Jayden

Penguins - Junior and Adam

Dinosaurs - Yusuf

Giraffes - River

Tigers - Marlon and Aden

Certificates have been emailed home via email to celebrate with your child.

Mental Health and Wellbeing Award

This week the certificate goes to:

Experiential Phase

Experiential phase have had a fantastic first week back in school after the holidays. Wallabies have enjoyed throwing the 'Slippery Fish' to our friends (naming / listening game) as part of the introduction to our new book of the same name. We have all created an 'Under the Sea' themed exploration corner including a sensory rock pool and a switch - operated bubble tube / fibre optics. We have had great fun in accessing our new parachute game called '5 Jumping Jelly Fish' with our Butterfly buddies during our phase assembly. We have also been learning the actions to the infamous 'Baby Shark' song and had a whale of a time (pardon the pun) celebrating World Ocean Day!!

On Friday we all took part in World Play Day and had the most fun.

Have a great weekend everyone!

Exploratory Phase

It's the first week back after the half term and we have got straight back into it! What a fantastic week of warm weather we have had to help us with our new Summer theme: Water!

All of the Exploratory classes enjoyed exploring water to support and celebrate World Ocean Day on Tuesday. Thank you to everyone who joined in and came into school dressed in blue/ocean themed outfits!

Today we have celebrated National Play Day and the learners have really enjoyed playing with the toys and resources we enjoy and developing social skills with their peers.

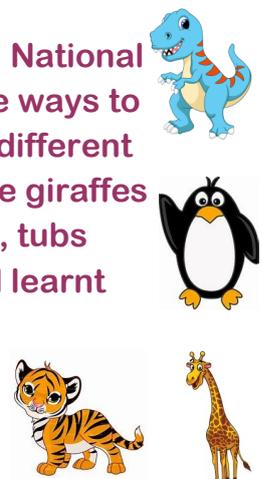

Let's keep on making the most of the good weather!

Investigative Phase

It's been a great week in which we explored World Oceans Day and National Play Day. It's the right of every child to play and one of our favourite ways to learn! Penguins have been having a great time experimenting with different coloured water and exploring the book commotion in the ocean. The giraffes have loved exploring water in our capacity work using bottles, jugs, tubs and cups. We made some super artwork for World Oceans Day and learnt about lots of different sea creatures. Dinosaurs have welcomed Sarah into their class and had lots of jellyfish fun and Tigers have ventured out to the park. It's been a fabulous week!

Have a great weekend everyone!

Rights Respecting School News

This week our learners both in school and at home have all enjoyed a fun ocean themed day to celebrate 'World Ocean Day'. The learners all wore their blue and sea themed clothes and had lots of fun learning about creatures of the deep and how we can work together to keep our oceans clean. Across the school we explored different animals that live in the ocean, learned about the harm plastic can cause to the animals and coral reefs, hunted for plastic in our own home made ocean bowls, enjoyed a selection of sensory ocean activities and created lots of beautiful sea themed arts and crafts including some made out of recycling bottles we have found in school. Some of our learners have also been discussing the importance of recycling to keep our oceans clean and our steering group are currently discussing launching our own Springside recycling campaigning to help keep our fishy friends safe –watch this space!

A huge thankyou to staff and parents for getting involved and supporting Springside to make our first ever annual World Ocean day such a splashing success! Next year is going to be even bigger and better!

Have a lovely weekend
